

Dear Friends,

A well-known saying in these parts is 'hingin th' gither' (hanging together).

'Fit like?' we ask, 'Am hingin th' gither.' And yes, it can feel like everything is 'hingin th' gither,' with ourselves, our community, the nation and the world. Even the weather feels like it is 'hingin th' gither.'

The Church of Scotland is no exception. It too is 'hingin th' gither.' Many church buildings have closed, with congregations uniting or linking into groups. Auchaber United Church united with Auchterless Church to become 'Auchterless and Auchaber Parish Church of Scotland.'

We are also in a grouping with three other parishes, so more changes will be in store.

Nevertheless, the church in this parish is still here. You are welcome to come and join us for Sunday worship or for any of the forthcoming events when we can be 'hingin th' gither' *together*.

Bearing in mind the grace of our Lord Jesus Christ, the love of God and the fellowship of the Holy Spirit we can have times when we are not just 'hingin th' gither' but 'Glorying On' -together.

All love and blessings in Christ Jesus,

Steve
